For the 2025 holiday season, eligible items purchased between November 1 and December 31, 2025 can be returned until January 31, 2026. What's Product Support?

Available at a lower price from other sellers that may not offer free Prime shipping. See more product details EATON BR GFCI CIRCUIT.

A 220V GFCI breaker (Ground Fault Circuit Interrupter) is a critical safety device in modern electrical systems, designed to protect against electric shock and fire hazards by detecting ground faults. These breakers monitor current imbalances between hot and neutral wires, cutting off power within.
