

High quality aurora solar inverter factory Seller

Overview

Who makes Sungrow solar inverters?

Founded in 1997 by a university professor, Sungrow is one of the largest suppliers of solar inverters globally and a leading Chinese inverter manufacturer. The residential SG range became very popular due to the competitive price, excellent reliability, and good reputation for service and quality.

Who makes Fimer solar inverters?

FIMER is a well-established Italian-based inverter manufacturer that took over ABB's solar division in early 2020. The company is in the process of revamping many of the ABB-style inverters and is expanding its range of high-quality string solar inverters for residential, commercial and utility-scale applications.

Where can I buy a power-one solar inverter?

Since 2009, Power-One has gone from the Top 10 of the world's solar inverter manufacturers to the Top Two at the end of 2010. EcoDirect.com sells Power-One Inverters at the lowest cost. Order Online or Call Us! 888-899-3509.

Are Growatt solar inverters reliable?

Based in Shenzhen, China, Growatt's first-generation entry-level solar inverters were known to have some quality and reliability issues, but to their credit, the company backed its product by servicing many of the warranty claims.
