

Liechtenstein solar panel assembly manufacturer

Overview

Not only does Liechtenstein have limited access to solar infrastructure, there is also no domestic supplier or manufacturer of solar equipment. As of now, it depends on importation of solar power equipment to install solar PVs in residential and commercial buildings.

Not only does Liechtenstein have limited access to solar infrastructure, there is also no domestic supplier or manufacturer of solar equipment. As of now, it depends on importation of solar power equipment to install solar PVs in residential and commercial buildings.
