

# London Solar Storage Container 120ft for Sale

## Overview

---

Who are shipping containers of London?

Focused on London and its surrounding boroughs, Shipping containers of London provide quality shipping and storage container solutions and services. If you require shipping containers capable of meeting modern industry demands, look no further than Shipping Containers of London.

Why should you buy a shipping container in London?

Premium-quality new and used container sales in London and the south-east at the lowest market prices. Shipping containers in London represent a simple, cost-effective solution for any business looking to increase and make better use of all available space.

Are shipping containers the cheapest alternative to full-scale building expansion?

From simple storage to the creation of new office facilities, it's the fastest and cheapest alternative to full-scale building expansion. With a little time and creativity, shipping containers in London and the south-east can be just about anything you want them to be.

Is a 45ft shipping container real?

Yes, the 45ft shipping container is indeed real! The rumours you may have heard of a container even bigger than the 40ft are true and these beasts are not only longer than all the rest, but in most cases extra high and wide too.
