

Nassau outdoor solar container battery cabinet manufacturer

Overview

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

What are the best solar battery boxes and enclosures?

Unbound Solar offers durable solar battery boxes and enclosures that are ideal for off-grid or grid-tie with battery backup systems. Browse our selection today. Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Are battery cabinets NEMA & IP rated?

It is important to note that the NEMA and IP rating varies depending on where you will install the enclosure. A range of outdoor energy storage battery cabinets and outdoor lithium battery cabinets are available in standard and custom configurations, can be pole-mounted or ground-mounted .
