

# New energy storage equipment manufacturer in Cebu Philippines

## Overview

---

Pasig City, Philippines — 21 July 2025 — Meralco PowerGen Corporation (MGEN) is set to develop a 49-megawatt (MW) Battery Energy Storage System (BESS) in Toledo, Cebu as part of its efforts to enhance grid stability and support the country's energy transition.

Pasig City, Philippines — 21 July 2025 — Meralco PowerGen Corporation (MGEN) is set to develop a 49-megawatt (MW) Battery Energy Storage System (BESS) in Toledo, Cebu as part of its efforts to enhance grid stability and support the country's energy transition.

Cebu Provincial Governor Pamela Baricuatro, Congressman Junard 'Ahong' Chan and Lapu-Lapu City Mayor Cynthia 'Cindi' Chan led the ground breaking ceremony of the P1.2 billion, 30-megawatt hybrid Battery Energy Storage System (BESS) facility at the Mactan Economic Zone. CEBU, Philippines — Cebu's.

Pasig City, Philippines — 21 July 2025 — Meralco PowerGen Corporation (MGEN) is set to develop a 49-megawatt (MW) Battery Energy Storage System (BESS) in Toledo, Cebu as part of its efforts to enhance grid stability and support the country's energy transition. The facility will play a key role in.

Integrated energy utility Aboitiz Power has kicked off a 30MW hybrid battery energy storage system (BESS) project in the Philippines. The company said on Wednesday (16 July) that construction will begin imminently on the BESS asset. It will be integrated into an existing operational thermal power.

Construction is underway on a large-scale battery energy storage system (BESS) in Toledo City that will help reinforce Cebu's power reliability amid fast-rising electricity demand and the country's broader shift toward renewable energy. The facility, spearheaded by Meralco PowerGen Corporation.

Meralco PowerGen Corp. (MGen), the power generation arm of the Manila Electric Co., is rolling out its second battery energy storage system (BESS) in the country as it accelerates investments to support grid stability and the shift to cleaner energy. The Pangilinan-led company said Monday it will.

MANILA, Philippines — Aboitiz Power Corp. will develop a 30-megawatt (MW) hybrid

battery energy storage system (BESS) at Mactan Economic Zone in Cebu, one of the first large-scale facilities of this kind in Central Visayas. Once operational by the first half of 2026, the BESS project seen to.
