

# Phnom Penh 48v solar panel price

## Overview

---

The price range for this type of solar panel is from \$175 to \$550. Of course, the price of a 48V solar panel system highly depends on the brand. While you can get a product of a good quality at a low price, keep in mind that solar panels are a long-term investment.

The price range for this type of solar panel is from \$175 to \$550. Of course, the price of a 48V solar panel system highly depends on the brand. While you can get a product of a good quality at a low price, keep in mind that solar panels are a long-term investment.
