### Why Use a Solar Container on a Tourism Island?

When you picture a perfect island retreat—palms, blue water, no sound—you're probably not thinking of the hum of a diesel generator. But it's the reality for thousands of off-grid tourist resorts and island tourist attractions attempting to balance.

RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design.
