Giant Uganda Company Ltd leads in the aluminum industry in East Africa. We manage the full production process, from aluminum profile research and development, molding, profile production, surface treatment, to installing windows, doors, partitions, and glass curtain walls. We pride ourselves on.

Some firms mainly sell home solar kits, others focus on large engineering projects, and a few are global brands entering the market through distributors. If you're working on a street lighting, mini-grid or commercial project, choosing a random "top 10 list" can easily send you to the wrong type of.

Curtain walls —also known as glass façades and exterior glazing systems —convert previously unused spaces into energy assets, enhancing both aesthetics and functionality. What is a curtain wall?

Curtain walling refers to a non-structural cladding system made from fabricated aluminum, commonly used.

Reduce your fuel bills Today Solar Nation We are a leading Engineering, Procurement, and Construction (EPC) company specializing in the design, procurement, installation, and maintenance of solar systems in Uganda. A leading Engineering, Procurement, and Construction (EPC) company dedicated to.

Kampala's Nakawa Business Complex achieved 40% energy autonomy through 2,800 m<sup>2</sup> of photovoltaic curtain walls, reducing air conditioning needs by 18% through integrated insulation. EK SOLAR installed 4,200 corrosion-resistant photovoltaic modules in Phase II, achieving: Uganda Energy Regulatory.
