In a move that blends spiritual stewardship with pragmatic climate action, the Holy See has received Italian government approval to transform its 1,000-acre Santa Maria Galeria estate into a 430-hectare solar farm—enough to supply all of Vatican City’s electricity and certify the.

On July 31, at the historic Palazzo Borromeo, the Holy See and the Italian Republic signed a landmark agreement to build an agrivoltaic system in Santa Maria di Galeria. Photo: Vatican Media According to the Vatican’s press office, the installation will apply the most advanced solutions currently.

ROME (AP) — Italy agreed Thursday to a Vatican plan to turn a 430-hectare (1,000-acre) field north of Rome, once the source of controversy between the two, into a vast solar farm that the Holy See hopes will generate enough electricity to meet its needs and turn Vatican City into the world’s first.

Italian energy supplier ACEA installed the photovoltaic roof in just six months in the Courtyard of the Corazze entrance. “The most difficult thing is to integrate and find spaces to build photovoltaic infrastructure in places that are already heavily built up,” said ACEA president, Barbara.

With the Apostolic Letter “Fratello sole,” issued motu proprio, Pope Francis provides for the construction of an agrivoltaic plant in the extraterritorial zone of Santa Maria in Galeria, where Vatican Radio maintains antennas for digital broadcasting. By Christopher Wells Highlighting the need “to.

The Vatican is set to become the world’s first carbon-neutral state through a groundbreaking initiative that involves transforming a 1,000-acre field north of Rome into a large solar farm. This ambitious project, which has received approval from the Italian government, aims to generate sufficient.

Most people would not expect the world’s smallest country, with fewer than 1,000

residents, to lead the global energy conversation. In 2025, the Vatican City flipped the switch on something much bigger than its size. A full transition to solar power. So from now on, the seat of the Catholic Church.
