

Where to buy off-grid solar container DC power supplies

Overview

Off-Grid Source is the premier destination for off-grid power solutions. Shop solar kits, portable power stations, batteries, and more from leading brands.

Off-Grid Source is the premier destination for off-grid power solutions. Shop solar kits, portable power stations, batteries, and more from leading brands.

RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design.

This basic entry level solar power system will provide lighting for a single shipping container. The lights will be a string of 4 DC LED A bulbs which operate on a timer switch. The system is designed with plug and play (PnP) connectors for easy assembly. The lights and timer switch easily setup.

Upgrade your shipping container home or office with a solar power kit and make the transition to off the grid living effortless! This system is designed to easily connect all your essential appliances (air-conditioners, computers, lights, microwaves and more). It's equipped with a 3000 watt power.
